

## Pet Booking Form

1. I understand that my owner has checked with Bamham Farm Cottages that my breed is welcome.
2. I am welcome to come on holiday at Bamham Farm Cottages on the understanding that I am well behaved and that my owner will not leave me unattended in the property at any time.
3. My owner and I agree that I will not be allowed into the bedrooms, onto the furniture, into the swimming pool or into the swimming pool patio area.
4. When in the cottage I will not bark, chew any of the furnishings, get on the furniture or foul in the cottage.
5. My owner will bring my own bedding for me to sleep on. My owner will bring my own doggy towels and not use those provided in the cottage to dry me with.
6. I will only eat from my bowls which my owner will bring.
7. I will be kept on a lead at all times.
8. In the interest of keeping all the outside areas clean and tidy my owner agrees to ensure that I am only exercised in the field area and not in the gardens immediately adjacent to the cottages (where young children play).
9. My owner agrees to clean up behind me at all times.
10. My owner has agreed to settle any additional cleaning costs incurred should the cottage or grounds require this after my holiday.
11. I am well behaved but in the unlikely event that I get over-excited and cause any damage, or prevent the cottage being re-let, my owner will pay for any damage or lost business.

We ask all dogs and their owners to adhere to the above guidelines. Failure to do so may result in the holiday being terminated without compensation.
